The Defendant above-named, Graham Garnos, by and through his undersigned attorney, Al Arendt, requests that the U.S. Attorney provide the undersigned with notice, pursuant to Fed. R. Evid. 609(b), of any conviction or convictions with respect to which a period of more than 10 years has elapsed since the date of the conviction, which the United States intends to offer at trial for the purpose of attacking the credibility of the Defendant or any witness, sufficiently in advance of trial so the Defendant is afforded a fair opportunity to contest the use of the evidence. The Defendant requests that notice of any conviction or convictions subject to the requirements of Fed. R. Evid. 609 be provided no later than the deadline set by the Court for the disclosure of discovery by the government or, if no order setting a deadline for the government's disclosure of discovery is entered, no later than 15 days before trial.

DATED this 8th day of November, 2017.
